You've invested your time implementing the pieces and all the things necessary and appropriate to help you along the way.

You have formed, from those who trust you, business relationships through the model you have created for yourself. Long-lasting and meaningful partnerships that have helped you to network and connect with like-minded and marvelous women just like yourself.

You are a pioneer, a born leader who guides and directs other women who desire to walk around in the garden of your heart to get a glimpse of what it is to be like you. They want to glean what they can and apply it to their own businesses so that they, too, can enjoy great lasting success.
